Comments:

None

GIA COLORED DIAMOND SCALE

309958301

This Report is not a guarantee, indication or approval and contains only the characteristics of the diamond described herein after it has been graded, tested, examined and analyzed by the laboratory providing this Report ("GIA") and/or has been inscribed using the techniques and equipment used by GIA at the time of the examination and/or inscription. Incriptions reported in this document are not a guarantee, indication, or warranty of a diamond's quality, quantity of origin or source, or that the diamond will be identifiable by the inscription in the future (since inscriptions can be removed). GIA makes no representation concerning any trademark, word, or symbol which is inscribed by GIA or which is identified on this Report. The recipient of this Report may wish to consult a credentialed jeweler or geologist about the information contained herein.

The security features in this document, including the hologram, security watermark and embedded chips, are available to prevent fraud. Please consult the GIA website for more information.
