Comments:

None

GIA COLORED DIAMOND SCALE

262726101

This Report is not a guarantee, valuation or appraisal and contains only the characteristics of the diamond described herein after it has been graded, tested, examined and analyzed by the GIA Laboratory which has been recorded using the techniques and assignment used by the GIA Laboratory at the time of the examination and/or inscription. Incriptions reported in this document are not a guarantee, valuation, or warranty of an article's quality, country of origin or source, or that the article will be identifiable by the inscription in the future (since inscriptions can be removed). GIA makes no representations concerning any trademark, word, or symbol which is recorded by GIA or which is identified in this Report. The recipient of this Report may wish to consult a credentialed jeweler or gemologist about the information contained herein.

The security features in this document, including the hologram, security codes and the unique ID, are subject to these rules and conditions.
